

Name: pBsSVD2005

Description: SV40 Large T antigen mammalian expression vector

Size: 5988bp

Vector : Bluescribe

Bacterial selection: Amp

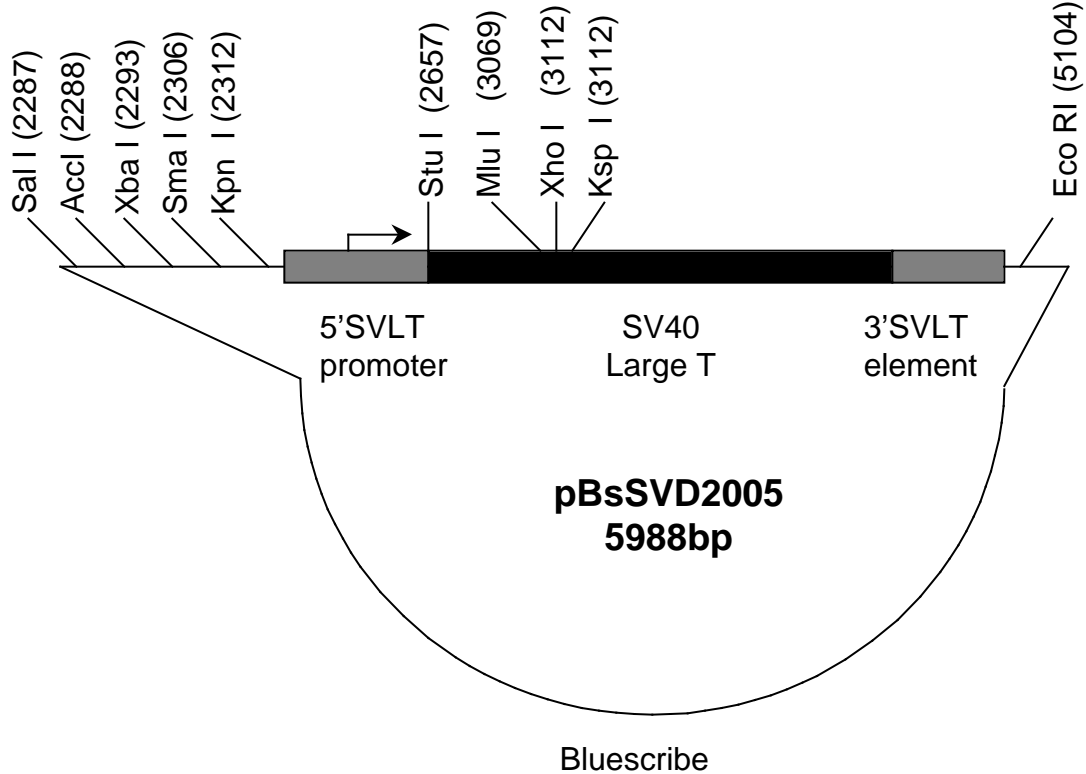

Bacterial/phage promoter: T7 & T3, SK+/- orientation unknown

Mammalian selection: none

Mammalian promoter: SV40

Source:

Glycerol stock : Box 8 #26

Construction details:

Vector: NA

Insert: NA

Test digest: RI, XhoI expect 1992 + 3996 bp

Notes: sequence is NA
